A

Anæmia, Hæmolytic, in Acute Glomerulonephritis, by W. J. Hensley 180
Aneurysm, Dissecting, of the Aorta Confirmed by Angiocardiography, by E. J. Halliday .. 68
Antibody to the Erythrocyte-Coating Polysaccharide of Staphylococci: Its Occurrence in Human Sera, by Phyllis M. Rountree and R. G. H. Barbour 80

B

Barbour, R. G. H., and Rountree—Antibody to the Erythrocyte-Coating Polysaccharide of Staphylococci: Its Occurrence in Human Sera 80
Barnett, A. J., and Fowler—The Action of "Regitine" in Man with Special Reference to its Adrenergic Blocking Action 109
Billington, B. P.—Duodenal Intubation in Diagnosis 142
Blacket, R. B., Sinclair-Smith, Palmer, Halliday and Maddox—Ebstein's Disease: A Report of Five Cases 26
Blood Coagulation, The Role of, in the Production of Hæmolysis in Paroxysmal Nocturnal Hæmoglobinuria, by R. N. Lyons 78
Blood Groups of Quadruplets, The, by R. J. Walsh 140
Burnet, Sir Macfarlane—The Pattern of Disease in Childhood 93

C

Cooper, D. A.—Rupture of a Coronary Vessel: A Report of Two Cases 176
Coronary Vessel, Rupture of a: A Report of Two Cases, by D. A. Cooper 176
Cowling, D. C., and Hicks—A Review of Cases of Polyarteritis Nodosa: With Special Reference to the Pathology 125

D

Diabetes Mellitus in Association with Lowered Renal Threshold to Glucose, by Ewen Downie 120
Disease in Childhood, The Pattern of, by Sir Macfarlane Burnet 93
Downie, Ewen—Diabetes Mellitus in Association with Lowered Renal Threshold to Glucose .. 120
Duodenal Intubation in Diagnosis, by B. P. Billington 142

E

Ebbels, L., and Fantl—Experience with the Intramuscular Administration of Heparin Preparations: A Comparison between Aqueous and Retard Heparin 135
Ebstein's Disease: A Report of Five Cases, by R. B. Blacket, B. C. Sinclair-Smith, A. Jean Palmer, J. H. Halliday and J. K. Maddox .. 26
Electrocardiography, Vector and Linear, Comparative Studies in, by B. McA. Sayers .. 154

Page

F

Fairley, Sir Neil Hamilton—The Chemoprophylaxis and Chemotherapy of Malaria in Man with Special Reference to the Life Cycle.. 7
Fantl, P., and Ebbels—Experience with the Intramuscular Administration of Heparin Preparations: A Comparison between Aqueous and Retard Heparin 135
Finckh, E. S., Saint and Parsons—Acute Porphyria: A Study of Six Cases.. 163
Foreword 3
Fortune, Cyril — Vascular Abnormalities of the Lung 42
Fowler, R., and Barnett — The Action of "Regitine" in Man with Special Reference to its Adrenergic Blocking Action 109

G

Glomerulonephritis, Acute, Hæmolytic Anæmia in, by W. J. Hensley 180

H

Hæmoglobinuria, Paroxysmal Nocturnal, The Role of Blood Coagulation in the Production of Hæmolysis in, by R. N. Lyons 78
Hæmorrhage, Subintimal, The Hæmodynamics of, by E. S. J. King 18
Hæmorrhagic Disease due to a Circulating Anticoagulant, with Report of a Case, by A. F. Knyvett 84
Halliday, E. J.—Dissecting Aneurysm of the Aorta Confirmed by Angiocardiography .. 68
Halliday, J. H., Blacket, Sinclair-Smith, Palmer and Maddox—Ebstein's Disease: A Report of Five Cases 26
Hensley, W. J.—Hæmolytic Anæmia in Acute Glomerulonephritis 180
Heparin Preparations, Experience with the Intramuscular Administration of: A Comparison between Aqueous and Retard Heparin, by P. Fantl and L. Ebbels 135
Hicks, J. D., and Cowling—A Review of Cases of Polyarteritis Nodosa: With Special Reference to the Pathology 125
Hueston, J. T.—Hydatid Disease of the Pericardium 186
Hydatid Disease of the Pericardium, by J. T. Hueston 186

I

Intubation, Duodenal, in Diagnosis, by B. P. Billington 142

K

King, E. S. J.—The Hæmodynamics of Subintimal Hæmorrhage 18
Knyvett, A. F.—Hæmorrhagic Disease due to a Circulating Anticoagulant, with Report of a Case 84

Page

L

Leucocytes, The Pelger-Huet Anomaly of the, by Eva A. Shipton 73
Lowe, T. E., and Sayers—Control of the Water Content of the Body 51
Lyons, R. N.—The Role of Blood Coagulation in the Production of Hæmolysis in Paroxysmal Nocturnal Hæmoglobinuria 78
